

SCHÖNES WETTER!

TouchPlay™ CHILLOUT

98.1109.04 TouchPlay™ CHILLOUT Mobile speaker for smartphones

Never before it has been so easy to listen to music from your smartphone with a **great sound**. Select the song, place your device on the TouchPlay™ CHILLOUT and there you go.

Place your smartphone on TouchPlay™ CHILLOUT - enjoy your music

You don't have to pair your smartphone to the speaker. The **NearFA™** (**Near Field Audio**) technology automatically detects your phone, turns on and immediately your music is amplified. The TouchPlay™ CHILLOUT will automatically switch in to standby mode after use to save battery power.

Your favourite music anytime, anywhere

With the built-in micro-USB port and a matching 5V DC power supply you can enjoy your music also without batteries.
